**East and Wine presents Zambartas Wineries.**

Expressions of Cypriot terroir.

Try a new wave of wines from Cyprus, an ancient wine producing island in the Eastern Mediterranean. We have selected the wines from the Zambartas Family.

Zambartas Wineries was established in 2006. With the wealth of knowledge and experience of father Akis and the modern Australian winemaking training of son Marcos, the focus was on creating quality wines that express the identity of Cypriot vineyards and varieties.

Since then the winery has become one of the leading wineries of the island, and greatly contributed to the current modern revival of the Cypriot wine industry. Winemaker Marcos Zambartas and his wife Marleen run the winery with a team of young and dedicated people.

Marcos makes a conscious effort in preserving and promoting the indigenous varieties of the island, such as Xynisteri, Maratheftiko and Yiannoudi. Besides planting new vineyards, he loves saving the unique centenarian vineyards that thrive on Cyprus' dry chalky soils.

The Zambartas family takes great value in a balanced relationship with nature, and therefore applies organic practices on the 11 hectares of owned and rented vineyards and strives for circular production methods.

## Available Wines

Xynisteri 2019 € 13.00

This fresh and distinctively aromatic wine was crafted from low-yielding old Xynisteri vines grown at 850m altitude in the Krasochoria region. Fermented in stainless steel, we aim to express the fruit and character of the Xynisteri grape in this bright and refreshing style of wine.

Zambartas Xynisteri has a light yellow-straw colour, intense and complex aromatic bouquet reminiscent of citrus and stone fruits. It has crisp acidity and a lingering taste. Ideal as an aperitif or with salads & light meals.

Rosé 2019 € 13.50

Zambartas Rosé is a favourite of many wine aficionados and has put Cyprus in the map for its quality Rosé wines. Cabernet Franc is blended with the Greek grape variety Lefkada, giving it its bright ruby red colour.

Zambartas Rose has an intense aromatic bouquet of small red fruits, pomegranate & roses, and a luscious flavour with long aftertaste. It is a seriously good aperitif on its own. It can also be enjoyed with contemporary Mediterranean and Asian cuisines.

Mataro-Yiannoudi (Red) 2018 € 16.50

The Mediterranean variety Mataro and the indigenous variety Yiannoudi are very well acclimatized to Cyprus warm summers and together produce an elegant medium bodied red wine. Yiannoudi is one of the upcoming local varieties of Cyprus, of which we have planted two vineyards. A promising future!

The fruity aroma, the balanced acidity and the soft tannins of this wine make it ideal for hot days and nights. Enjoy this wine as an aperitif, with white meat or pasta.

Maratheftiko (Red) 2018 € 18.00

This fine wine is an authentic expression of the Cypriot indigenous variety Maratheftiko. The scent of violets which is so characteristic of the Maratheftiko grape is immediately apparent on the nose. The bouquet is complimented by aromas of black cherries and enriched by an elegant layer of the fine French oak barrels which nourished this wine. Its rich flavour of red fruit and the round tannin give this wine elegance and structure. Suitable for ageing.

Shiraz-Lefkada (Red) 2018 € 21.00

This is a powerful, rich red wine designed to show Cyprus' potential to produce wines of world class weight and complexity. Lefkada contributes structure and intense mulberry fruit that carries through the palate. Blended with Shiraz to enhance its spicy style, it has responded really well to careful ageing in the finest oak for 12 months. It is suitable for immediate drinking and will also reward those who have the patience to age it.

*\*Only available during the pre-order period and max 1 bottle per delivery address:*

Shiraz-Lefkada 2017 Magnum: € 45.00
